No commitments of any kind are being made in the sectors or sub-sectors of economic activities not shown on the list

For the economic sub-sectors in which commitments are being maintained or new commitments are being incorporated, the amendments appear in the left-hand column headed "Sector or sub-sector"

Reservations, conditions and exclusions relative to the rules on market access and national treatment and applied to maintained or newly-incorporated commitments appear in the right-hand column headed "Description of reservations".

To complement the list, the same right-hand column includes any comments considered necessary on the commitment or reservation being incorporated or maintained.

Commitments in specific sectors or sub-sectors are subject to the horizontal reservations and limitations included in the first section, which apply across the board and unconditionally to all sectors unless otherwise stated.

The commitments do not include measures relating to requirements, licences or recognitions, procedures or processes necessary for the exercise or development of an economic activity, that apply even when not shown on the list, unless they are presented as restrictions on the rules on market access and national treatment

The reservations, conditions and exclusions included on the list below will not apply, insofar as they present inconsistencies, to the sub-sectors and modes committed by Ecuador on the Schedule of Specific Commitments undertaken for its membership of the World Trade Organisation — WTO in 1996, a recast version of which can be found in document S/DCS/W/ECU of 24 January 2003, produced from the original texts of and amendments to documents GATS/SC/98/Suppl.1 and GATS/SC/98/Suppl.2, of the WTO General Agreement on Trade in Services (GATS). Accordingly, the said reservations, conditions and exclusions will be applicable to and required for the new sectors and/or modes of supply set out on the list below.

In accordance with the provisions included in Article 107(3) relating to the scope of the rules in the Title on Trade in Services, Establishment and Electronic Commerce, no measures that may be adopted or maintained by the State of Ecuador in relation to grants and subsidies are listed.
